

STATE OF RHODE ISLAND

ENERGY EFFICIENCY & RESOURCE MANAGEMENT COUNCIL

5.a. Small Business Customer Qualifications Discussion

Key Discussion Question(s):

1. Do you have any clarifying questions?
2. Is there a strong rationale for changing National Grid's current RI Small Business program qualifications?
3. Should a change be considered for the 2019 Annual Plan?
4. Is further information or discussion needed?

5.b. EE Video with Lifespan

Key Discussion Question(s):

1. How can this video be used to support the use of RI's energy efficiency programs?
2. Who should see this video and others like it?
3. How can the most value be extracted from program promotional/education media such as this video?

5.c. Discussion & Vote on Energy Expo Sponsorship in 2019

Key Discussion Question(s):

1. Is the Sponsorship description reasonable?
2. Is sponsoring the Energy Expo in 2019 a good method for fulfilling the Council's responsibilities?
3. Are there any aspects of the sponsorship description that should be edited?

Recommended vote language options:

1. a motion to include sponsorship of the Energy Expo at the 2019 RI Home Show, as described in the sponsorship description document, in the 2019 EERMC budget with the amount of the sponsorship dollars to be contingent on available funds.
2. a motion to include sponsorship of the Energy Expo at the 2019 RI Home Show with the following sponsorship description edits, in the 2019 EERMC budget with the amount of the sponsorship dollars to be contingent on available funds. Edits to be incorporated into the sponsorship description are: _____.

6.a. Discussion on Evaluation Study Impacts Presentation

Key Discussion Question(s):

1. Is it clear why figures will change between drafts of the 2019 Annual Plan?
2. Are there any specific measures you are concerned about? Are you wondering if there are evaluations for specific measures?

6.b. Discussion on Overview of 2019 Annual EE Plan Presentation

Key Discussion Question(s):

1. Are there other high-level concepts or ideas that the Council would like to see included in the 2019 Annual Plan?
2. Is there anything the EERMC Consultant Team and/or National Grid should explore further for incorporation into the 2019 Annual EE Plan?
